

The theme is Mum

For the 2022 Christmas lights we are going with the theme of Mum. Please can you draw us your mother, can you also include the first name of your mum on the sheet, we will add the name in lights underneath each winning entry. Our favourite ten or so designs will be made up.

Draw your design on the grid below. The easiest designs for us to copy use simple coloured lines so try and avoid colouring in sections. The designs need to be handed in at your school or the library any time before Saturday the 11th of November. The competition is open to all ages - children and adults alike.
